## President's Report

Recently I have read a few articles about what makes a family friendly community. In one article in particular, it had a checklist that you could rate your community. When I went down the list I was pleasantly surprised to find I could tick off many of the boxes as existing or in the plans for our community. Obviously the public transport box was not ticked!

But what it did show me was that we have a lot of good things happening in our community. I will always remember a comment one of the ACA members said at a meeting, he referred to the fact that we have a good place to live now but when we have the infrastructure we will have a great place to live!

Now we are in spring and the weather is getting a bit warmer it is a great time to get out in the garden, visit friends or take the kids to the park. It is also a time to think about fire hazards around the home, with summer quickly approaching.

Earlier this year in February we had the grass fire in Wollert and Epping North. This caught most of us by surprise, as we had not expected to have such a large grassfire in our suburbs. Our streets were grid locked and people panicked; it is hard to forget what happened that day!

Since that time local residents, including ACA members, have worked together with City of Whittlesea representatives to discuss an emergency plan and how to help residents to be prepared, not just for grassfires, but also for any emergency.

Our Coffee and Chat on October 19<sup>th</sup> was all about being 'Alert and Prepared' as the temperatures soar. The CFA attended the event and spoke to the community about fire safety, the Council provided an emergency kit bag and attendees met and heard from local residents who have volunteered to be part of the Emergency Planning Group.

Over the next few months as we head towards Christmas and the holidays we are also holding other community events:

- October 26<sup>th</sup> we are starting to run a stall at the local Wollert Market and we hope to have a monthly presence.
- December 1<sup>st</sup> we will be hosting a Kids and Bubs Market together with CFLLC. Residents can sell new and used goods or come along to browse and buy. There will be a children's petting zoo and a BBQ on the day.
- As well on December 7<sup>th</sup> we are putting on a special BBQ for all our members and their families to thank them for their ongoing support of our Association.

With all this activity it may look like we might have dropped off our advocacy work to all levels of Government for better roads, public transport and services. This is not the case, we have at present a petition circulating to be tabled in Federal Parliament in November, to show our support for the Government to fund the Edgars Rd extension and diamond interchange on to the Hume Freeway from O'Herns Rd.

10. Kids and Bubs market

Continued from page 1.

The ACA was privileged in the lead up to the federal election in September to run a forum where all potential candidates were invited to come along and speak to the community. It was a really good day and we had many worthy candidates but we can have only one representative. The ACA would like to warmly congratulate Andrew Giles as the new MP representing the Scullin electorate. Andrew has taken a keen interest in the Epping North/ Wollert communities and the ACA looks forward to working with him as he represents our community.

We would also like to welcome back our committee and introduce some new executive members, Ozge (Vice President), Chris (Treasurer), Kathleen and Nessie. In doing so we have farewelled Dan, Kerry, and Roger, we would like to thank them for all their hard work for the Association over past year and for the many hours behind the scene help they provided.

Look out for what is new in the area, we have the Epping Views Kindergarten opening, the 3rd Place Café (Eucalypt Estate) in a beautifully restored bluestone building and McDonalds has opened. Take care on the roads!

The Aurora Community Association continues to work for and on behalf of the Epping North/ Wollert communities.

**Keep safe over the coming months!**

Toni-Marie Wuelfert  
ACA President

### Multifaith Future Leaders Program

Hi Everyone,

I have begun recruiting for our 2014 Multifaith Future Leaders Program. The camp is entering its 6th year and has been highly successful with many of the graduates taking on a more active role in their own community and the wider community.

We are looking to recruit young adults approximately 19-30 from various faith backgrounds to come together for a FREE 3 day program in a beautiful country setting.

Would you please pass this around to your networks.

Dates for the camp are Monday 17th – Wednesday 19th February. Transport will be organised.

If you have any questions about the program please do not hesitate to contact me at any time.

I thank you, in advance, for your assistance.

Regards,

Edna Lipson  
Development & Project Manager  
B'nai B'rith Anti Defamation Commission  
306 Hawthorn Road, Caulfield South 3162  
(03) 9272 5677

### Creeds Farm Community Garden News

Creeds Farm Community Garden members meet on the last Sunday of each month at Creeds Farm Living and Learning Centre, Corner Redding Rise and Snugburgh Way 10.30am – 12 noon.

#### Great attendance at Fruit Tree Establishment workshop

Over 20 people attended the fruit tree establishment and espalier workshop at Creeds Farm Community Garden in August. The session included how to design and construct trellising for fruit trees, as well as tree selection and establishment. Many thanks to all the garden volunteers who help make the day a great success. The event was supported by City of Whittlesea and Creeds Farm Living and Learning Centre.

If you would like more information, please email [creedsfarmers@gmail.com](mailto:creedsfarmers@gmail.com)

#### Garden workshops from Creeds Farm Community Garden

Creeds Farm Community Garden was fortunate to receive a Community Development Grant from the City of Whittlesea.

The grant will assist in running a series of workshops for the community around Epping North. Workshops are:

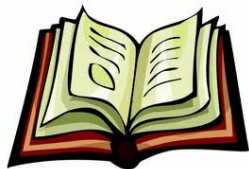

- Cant Beat 'em, eat 'em (identifying and using edible garden weeds).
- Kiln fired insect totems (biodiversity habitats)
- Fruit tree pruning.

If you would like to participate or be kept informed of Community Garden activities, please email [creedsfarmers@gmail.com](mailto:creedsfarmers@gmail.com)

## STORY TIME

Join librarian Ozge for a fun story time for infants and toddlers at Creed's Farm Living and Learning Centre in Epping.

There will be rhymes, singing, lots of silly movement, and of course BOOKS!

Invite others, bring a friend, it's free!

Second Saturday of each month at 11:00 AM.  
Next story times are 26th October and 9th November.

Thanks!  
Ozge

## Bulk Billed Home Visiting Doctor

This might be of interest to people if you want to avoid going to Emergency at the Northern Hospital for situations that aren't an emergency/ life threatening:

Home Visiting Doctor

Bulk-billed after hours medical care - nights, weekends, public holidays

- telephone 9429 5677

<http://www.mmds.com.au/home-visiting-doctor>

Did you know a doctor is available to come and treat you and your family at home every night, weekend and on public holidays?

When can I request a home visiting doctor?

Weekdays: From 4.00 pm to 8.00 am the next day (overnight).

Doctors start from 6.00 pm

Weekends: From 10.00 am Saturday until 8.00 am Monday.

Saturday doctors start from midday

Public holidays: Doctors are available 24 hours

Please ring your own GP during surgery hours. If your own GP is available after hours, we will contact him/her for you.

Coles coming to Aurora  
Northern weekly  
27 August 2013

Coles has secured a supermarket site in the Aurora estate in North Epping and would deliver the first stage of the Aurora town centre, according to the developer, Places Victoria's chief executive officer, Peter Seamer.

"On completion, the Aurora town centre is planned to comprise of supermarkets, potentially a discount department store, a fuel outlet, specialty shops, cafes, restaurants, offices and car parking," Mr Seamer said.

## Home Harvest Feast 2014

Volunteers are sought to grow and supply the produce for the Home Harvest Feast 2014 on Sunday 16 March 2014 to be held at Eltham High School.

In its third year the Home Harvest Feast is a celebration of home grown produce and local food. All growers are invited to celebrate in the harvest and the joys of local food by sharing a delicious community meal created by trained cooks using your home or community- grown produce. Tickets to the Feast are free for Growers and their guests.

Find out more and register as a Grower for the Home Harvest Feast 2014.

## Aurora General Store & Café

Fully catered café

Delicatessen / Mini supermarket services

ATM onsite

Grinders Coffee Focaccias Cakes Breakfast and Lunch

Trading Hours:

Monday to Friday 6.30am to 9.30pm

Weekends

Saturdays 7am to 9.30pm,

Sunday 7.30am to 9.30pm

1 Gammage Bvd Epping VIC 3076

(03) 8320 5000

## Did you know we have a FORUM?

Why not follow the link and register and chat with your neighbours and fellow residents.

<http://www.aurora.asn.au/forum/>

Have your say!

You can share gardening tips, tradesmen names and phone numbers, recipes, handy tips about internet, child minding, schools, activities in and around the area.

## City of Whittlesea Fire Prevention Works Summer 2013-14

### Inspections

Fire Inspections will start on 21 October and the aim is to have the whole municipality inspected (1st round) and complied with, by 17 December 2013. This includes sending in contractors to complete fire hazard removal works. The expectation is that with the fines now being at a realistic penalty (\$1444) for non-compliance property owners will do the right thing and make their properties safe.

Depending on the growth patterns we will commence the 2nd round of inspections in the new year. The roadside slashing to reduce hazards on the priority roads in the municipality will start in the lead up to the Whittlesea show and has a target to be done by 24 December 2013. And of course we will follow up with 2nd roadside slashing depending on the regrowth.

### Last summer

Last summer the City of Whittlesea Local Laws officers issued 174 fines at the new rate which was \$1408. That rate has now gone up again with the CPI increase to \$1444. These fines are per rate payer not per property.

The big surprise to us last year was the really good compliance rate of the rural properties and the Eden Park estates.

The disappointment for Local Laws were the urban areas - in particular the new developments and vacant blocks, Epping North being the most significant. Some developers were also lacking in works programs. This season Local Laws is working with all developers to ensure that appropriate works are done.

## Street art, Epping style.

Have you noticed the odd-looking signs along High St lately?

There's a block or two, around Rufus St and Coulstock St, where the back sides of legitimate street signs have been used for artistic purposes.

There are poems, graphics, drawings and statements. There are even newly-installed signs as well, a cluster of them connected by pink strings that remind me of the old Spirograph toy. If you haven't enjoyed these yet, take some time to wander along both sides of High St to see what's on offer. Here's just one taste of the selection there:

## Strengthening community preparedness and resilience for emergencies

People suddenly in an emergency situation can find themselves in a state of panic or a state of shock which makes them vulnerable to responding incorrectly or not responding at all, acting on incorrect advice or being unable to sum up the situation around them. Community participation and planning will hopefully assist local residents in being better prepared and able to cope with emergency situations.

City of Whittlesea is supporting interested Epping North/ Wollert community members to meet together with Kathy Pompetti (Epping North's Community Development Officer) and Gail Cumming, (Resilience and Emergency Management Team), to discuss ways we can build community preparedness and resilience for emergencies in the future and explore any interest in developing a local community emergency plan.

Since August the group has met a number of times and has:

- Had a facilitated meeting with the CFA to improve communication between the CFA and the community and to assist the CFA in knowing how better they can support our community;
- Is working with the CFA to identify homes at high risk of grassfires this summer and helping to organise community meetings with the CFA for those affected households to help them prepare and connect with other residents;
- Is working with the volunteer group Random Hacks of Kindness (through Aurora resident and RHOK member Anthony Damtsis) to create a 'Fire Watch' information portal for the ACA website similar to <http://warrandyte.org.au/fire-watch/>. The page will bring together information from the CFA, Bureau of Meteorology and VicRoads for the Epping North/ Wollert area and will also have a Twitter feed where you in the community can let others know quickly what is happening where you are. The ACA Fire Watch portal is due to be launched sometime in October-November- look out for a link to it on the ACA home page.
- Organised for the CFA to run a 'fire ready' session at the October Coffee and Chat and for free emergency kit bags to be distributed at the event from City of Whittlesea.

The group plans to continue to work with City of Whittlesea to explore the option of developing a local community emergency plan and maybe even a video about emergency preparedness.

If you wish to get involved then please email [enquiry@aurora.asn.au](mailto:enquiry@aurora.asn.au) with your details and we can let you know when the next meeting is.

## Was your land de-valued by a bank?

We recently heard from a couple who are just starting to build in the Aurora estate about their land being de-valued by their bank when trying to get a loan.

The bank told them that they couldn't give them the full amount that Places Victoria was asking for the land because of 'isolation and a lack of infrastructure' (i.e. lack of public transport, road connectivity, shops, community infrastructure etc.) and so they now have to make up the shortfall between the sale price and what the bank is willing to loan them. Places Victoria allegedly would not reduce the asking price for the land when confronted about the difference in the land value.

We wondered if this has happened to you or if you know of anyone living in the Epping North/ Wollert area that this has happened to?

If so please email [enquiry@aurora.asn.au](mailto:enquiry@aurora.asn.au) as we'd like to talk with you about your experience. You may also want to let us know if you are buying or selling a house in the area and a similar thing happened to you.

## Transport working group update

The Transport Working Group (TWG) has been meeting regularly and working hard to advocate on improving transport around our local area to our leaders and get media coverage on the issues. The ACA have been quoted in a number of articles in the local newspapers on local transport related issues in recent months and a member was also interviewed on his way to work by Radio 774 ABC Melbourne. The Aurora estate/ Epping North's transport predicament was featured as a case study in the Victorian Auditor General's report titled "Developing Transport Infrastructure and Services for Population Growth Areas" and as a result was then mentioned in The Age and on some commercial TV stations in coverage of the report.

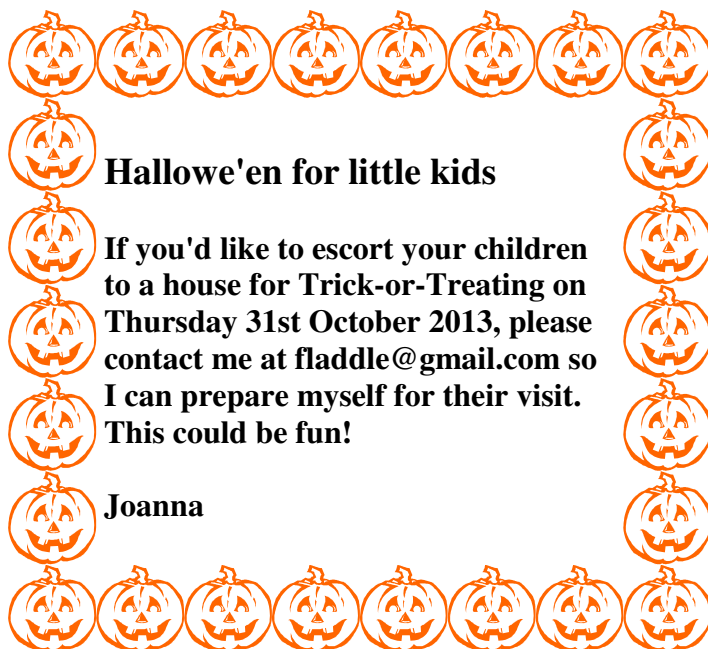

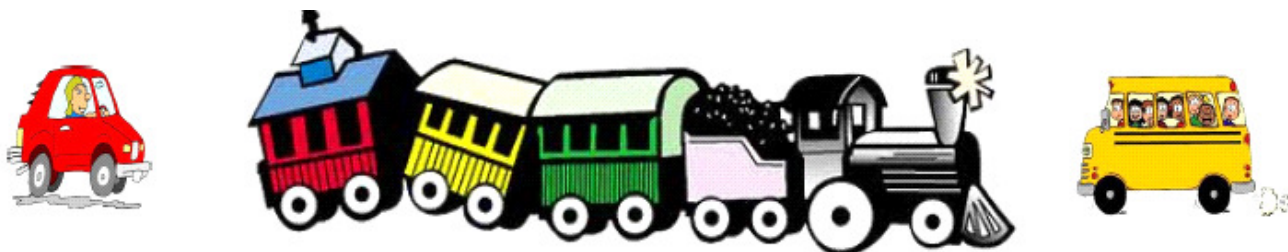

In the lead up to the Federal election, members of the ACA TWG launched its second petition on the O'Herns Road Hume – Freeway Interchange, this time to the Federal Government. Volunteers have been enthusiastically collecting signatures at the Wollert Market, Epping Views Primary School on Federal Election Day and at numerous businesses in the City of Whittlesea. Over 1,600 signatures have been collected at the time of this newsletter going to print. The petition will be presented to both Houses of Parliament in Canberra- the hard copy petition will be presented to the **House of Representatives** and an online petition <http://www.communityrun.org/p/oherns-interchange> will be presented to the **Australian Senate**.

The TWG is always looking at new and more effective ways to campaign on the transport needs of residents in Epping North and Wollert. This includes monitoring what other transport campaigners are doing, such as with regard to the railway line extension to Mernda and the Doncaster rail as an alternative to the East West Link road tunnel. The ACA website and the website for [Voices of the Outer Suburbs](#) will hopefully be developed further for transport campaigning, especially with videos - among which one or more will hopefully go viral.

The TWG has been looking at possible new items to cover on website videos. This is likely to include local volunteers trying to drive in peak hour congested traffic. The TWG would especially welcome videos of people with personal stories about being severely put out by congestion, slow travel times, long waits for buses, having to walk to Epping station, isolation, pets left alone for long periods etc. Such people do not have to be professional actors or photogenic models. The video clips will have more impact with people (including children) in them who look real and true and are honestly registering strong responses to lack of local transport services. If this is something you are interested in getting involved in then please email [enquiry@aurora.asn.au](mailto:enquiry@aurora.asn.au).

The transport working group is always looking for new people to get involved, so if you are interested then please email [enquiry@aurora.asn.au](mailto:enquiry@aurora.asn.au).

Tony Francis and Cara Horner

### Hallowe'en for little kids

If you'd like to escort your children to a house for Trick-or-Treating on Thursday 31st October 2013, please contact me at [fladdle@gmail.com](mailto:fladdle@gmail.com) so I can prepare myself for their visit. This could be fun!

Joanna

## Trivia Night 2014- organisers needed

The ACA is planning to hold its next annual trivia night on **Saturday 29<sup>th</sup> March 2014**.

The purpose of the trivia night is twofold-

1. To provide a family friendly social function for residents and
2. To raise funds for the ACA so we can pay for our ongoing annual costs that keep the association functioning e.g. public liability insurance, website hosting fees, hall rental etc.

At the 2013 trivia night people really enjoyed themselves and we had some great prizes for participants that were donated by local businesses. Fun games and activities broke up the trivia question rounds and raffles abounded. Child minding was available on site if required. Felishia Patania performed a couple of fantastic acoustic sets on the night and Jason did a great job as Quiz Master!

All of this fun didn't happen by accident- it happened because a team of dedicated people worked together to make it happen. We've done a few trivia nights now and we have a few members who have some great trivia night organisational skills and knowledge. However, these people need help sharing the workload so they don't get burnt out and so that we can continue holding this fun event.

Do you think you could help to organise the 2014 trivia night? We need a committed group of people to help organise our major fundraising event for the year- This time around we will start initial planning earlier (in November) to spread the workload and reduce the rush.

We'll need help with marketing (local paper ads/ stories, real estate boards, newsletter articles, posters etc.), contacting businesses for prizes/ collection of prizes, organisation of questions/ activities/ raffles/ refreshments, hall/ furniture organisation, table bookings, hall booking, website updates, MC for the night etc. **Previous trivia night organisational experience isn't required** – just an ability to work as part of a team, attend meetings, check emails and be reliable/ trustworthy are most important.

In return you will get to meet other locals and make friends with other Epping North/ Wollert residents, learn/ practice event organisation/ management skills, have fun and get satisfaction from getting the event off the ground.

**The first meeting is planned to be held on Thursday 14<sup>th</sup> November (depending upon availability of interested people).** Meeting schedules will be set by the team members- before Christmas there may be two meetings and from February until the event fortnightly meetings with perhaps an extra one the week before the event would be reasonable to expect (though it may be less than this). Much of the communication will occur via email.

If you would like to help organise the 2014 Trivia Night then please email [enquiry@aurora.asn.au](mailto:enquiry@aurora.asn.au). If we do not get enough people volunteering to help out (around 8 people) then we will be unable to run the event; we hope that this won't occur as it really is an important event for the ACA.

Hope to hear from you soon!

Cara Horner

Secretary

## ACA 2013 AGM wrap up

The ACA held it's 2013 AGM on Wednesday 24<sup>th</sup> July. We had a great turn out with nearly 40 people in attendance, with some people attending an ACA meeting for the first time that night.

Peter Gurkin from Places Victoria gave a detailed update on development of the Epping North/ Wollert area, in particular the Aurora Estate. This included the sale of parts of the Aurora estate land, Harvest Home Road intersection, new town centre, new community centre, Fibre to the Home (FTTH), bus services, tennis pavilion and an apology about the recent threatening letter to some residents about FTTH services.

Cara Horner discussed proposed changes to the original ACA Statement of Purposes and Rules and Toni-Marie Wuelfert then led two special resolution votes on the proposed changes which were passed unanimously by members. This has resulted in the new ACA Association Rules 2013.

The ACA is proud to announce that the following community members were elected at the AGM as executive committee members for the 2013-14 financial year:

President: Toni-Marie Wuelfert (returning)  
Vice President: Ozge Sevindik-Alkan  
Secretary: Cara Horner (returning)  
Treasurer: Chris Borg  
Ordinary Member: Tony Francis (returning)  
Ordinary Member: SriBashyam Thulasiraman (returning)  
Ordinary Member: Kathleen Ager  
Ordinary Member: Nessie Sayar

ACA committee 2013-14 (L-R Sri, Kathleen, Toni-Marie, Cara, Ozge, Nessie, Tony and Chris)

The ACA congratulates the new committee members and wishes to thank them for taking on these roles, thus keeping the Association running for another year! We mustn't forget to thank the 2012-13 ACA committee members for all their hard work during the year!

AGM minutes are available online at <http://www.aurora.asn.au/downloads/meeting-agendas-and-minutes/>

## EXCITING NEW RESTAURANT PRECINCT AT EPPING PLAZA

On Sunday October 1, 2013 Epping Plaza will become Pacific Epping in an exciting re-brand that will mark the launch of its \$30 million 'Urban Diner' development. Following a 12 month project led by awarding winning and leading architectural and interior design group, McGauran Giannini Soon Pty Ltd, Pacific Epping is looking breathe life into the retail offer in the north. With ever growing competition in Melbourne's north, and young families moving into new surrounding housing developments, it was identified by Pacific Epping that a Restaurant and Entertainment precinct was required to assist in combating competition and in building a strong relationship with the local community whilst creating a point of difference in the region.

The launch of the Urban Diner will expand the Centre's footprint by 9,288m2 increasing the gross leasable area (GLA) to 74,036m2. The additional space will provide the community with lovely landscaped pedestrian street with a wide open piazza and playground, light filled surrounds that are complemented by a family friendly atmosphere, wide variety for lifestyle shopping and a fresh food offering that is unparalleled to competitors.

The Urban Diner Restaurant and Entertainment precinct will see the return of La Famiglia and Laurie Dees to complement existing restaurants, T.G.I Friday's and Epping Plaza Hotel plus the recent opening of two new Gold Lounges at Reading Cinemas, providing an extensive selection for the community.

★ Pacific Epping is thrilled to welcome new traders to the Urban Diner Restaurant and

Entertainment precinct including restaurants China Bar Buffet, The Coffee Club, Groove Train, Hog's Breath Café, Nando's, Salsa's, Schnitz and fast and fresh options in the food court; China Bar Express, Sunshine Charcoal Chicken, Dumplings Plus, La Familia Express, Rock 'n' Kebab, Yoyogi and the return of Sensational Sandwiches.

✧ The development includes a facelift of the Centre's bathrooms including specially designed parents facilities to ensure a stress free and comfortable shopping experience for families and in particular young mothers in the area.

The development has also introduced a new bus interchange off Cooper Street and an additional 300 car parking spaces, making the Centre easily accessible and an enticing offer for Melbourne's north.

The Urban Diner will launch with a consumer event alive with colourful activations, surprise performances and interactive events suitable for the whole family.

## ACA Election related events

On Sunday 1<sup>st</sup> September at Creeds Farm Living and Learning Centre the ACA held two federal election related events- A Candidate Meet and Greet and a New Citizens Practice Voting session.

The sessions were open to anyone living in the City of Whittlesea/ seat of Scullin, especially those of us living in Epping North/ Wollert and we were pleased with the turn out, despite it being Fathers Day!

The New Citizens Practice Voting event was presented by Adibeh Abdo-Attia from the AEC and was designed to give new citizens the skills they need to confidently vote in Australian elections and make sure their vote *counts*. The session covered information about the levels of government in Australia, and how to complete the ballot papers for both the House of Representatives and the Senate. Attendees then participated in a mock vote and completed *sample* ballot papers.

Adibeh Abdo-Attia from the AEC teaching the group

Avantha and Nam practice voting (with Akeyla helping)

The Candidate Meet and Greet event was designed to let voters meet candidates for the federal seat of Scullin and find out more about them and how they plan to work for constituents if they are elected. Andrew Giles (Labour), Domenic Greco (Katter's Australian Party), Rose Ljubicic (The Greens) and Nathan Rolph (Australian Sex Party) all attended whilst Jag Chugha (Liberal) and Peter Cooper (Palmer United Party) both gave their apologies.

Meet & Greet Forum- L-R- Domenic Greco, Nathan Rolph, Toni-Marie Wuelfert (ACA President), Rose Ljubicic & Andrew Giles.

Each candidate was given 5 minutes to tell the audience about themselves and more importantly about their election platforms. After each candidate had spoken, a panel discussion was then held where audience members asked the candidate panel or particular candidates questions. Questions included topics such as Broadband, the Environment/ Climate Change, Epping North Railway, Road Improvement, Marginality of the Scullin electorate, Grassfires/ emergency preparedness, Asylum seekers/ refugees, Government budgets and even what the Australian Sex Party is all about!

The ACA would like to thank all involved for a worthwhile and informative afternoon. We hope to run similar sessions in the leads up to the State elections next year. We would also like to congratulate Andrew Giles (Labour) for winning the election in the seat of Scullin and wish him all the best in his new role representing our electorate!

## Membership Renewal Reminder

Just a friendly reminder that 2013-14 membership renewal fees are now due for those members who didn't pay at the AGM or haven't already transferred money via EFT (you would have received a reminder email in September about it if this applies to you).

The Aurora Community Association is the result of many individuals coming together to create an independent, grass roots, community-based organisation aimed at improving the Epping North/ Wollert area. By being an ACA member you are helping to create a strong, resilient and connected community.

Membership fees paid by members go towards the following ongoing costs associated with the ACA and support the ACA in our ongoing community engagement activities:

- Annual Incorporation fees
- Annual Public Liability Insurance
- Website costs
- Room hire costs for functions
- Food, drink and other catering costs for functions
- Stationery, printing and other office consumables

As a paid up member you have:

- voting rights at the ACA AGM and other general meetings;
- the opportunity to participate in the ACA executive committee and working groups;
- a place at our special members only end of year family activity;
- the ability to make the ACA larger, stronger and more representative of our community; and most importantly
- a united voice about community needs and concerns.

**Renewing your membership is easy**- simply pay the annual membership fee of \$10 per year via one of the methods outlined below - no need to complete another membership form! Receipts will be given in person or posted/ emailed upon clearance of funds.

There are three payment options for renewing members:

1. Electronic funds transfer to BSB 814 282, Account 310 737 28, Name: Aurora Community Association. *Ensure to include your name in the funds transfer* and if possible email enquiry@aurora.asn.au a screenshot of your payment receipt so we know to expect your payment.
2. Cheque made payable to **Aurora Community Association**. Send cheques to: Aurora Community Association, C/O 2 Snugburgh Way, Epping North, Victoria 3076.
3. Cash payments can be made in person to the Treasurer at an ACA event- **our next scheduled event is the free Coffee and Chat on Saturday 19<sup>th</sup> October 10.30am- midday at CFLLC.**

If you haven't already done so, please renew your membership by **Saturday 19<sup>th</sup> October** to ensure your membership stays current.

If you wish to sign up as an Aurora Community Association member please go to <http://www.aurora.asn.au/join-today/> for more information.

Thanks for your continuing support and seeing you at one of the ACA events this coming year!

Warm Regards

Cara Horner

Secretary

## Members end of year celebration

The ACA will be holding its end of year members event at Creeds Farm Living and Learning centre on **Saturday 7<sup>th</sup> December at 12.30pm**. ACA members and their family are invited to attend this **FREE** end of year celebration- please save the date, more details of the event will be provided shortly.
