Dear Miss Horner

I write in response to your representations regarding the Aurora Community Association's (the Association) pre-budget submissions in respect to the Hume Freeway Interchange/Edgars Road Extension in Epping and the Epping North Railway Line Extension.

I have written to Deputy Prime Minister and Treasurer, Hon Wayne Swan MP, and Victorian Treasurer, Hon Kim Wells MP, raising and seeking advice on these matters.

I will write to you again once I have received a response to my representations on behalf of the Association.

Yours sincerely
