

Sick of the traffic?

What does the traffic congestion cost you?

Want better transport options for Epping/ Wollert?

The Aurora Community Association is taking action to improve roads and public transport in the lead-up to the November State election. The Association will be launching our transport priorities by releasing an exciting video highlighting our local transport woes, starring Epping North/ Wollert residents.

Join your neighbours at the next Aurora Community Association general meeting to support the launch of our video and hear about local transport priorities and how you can help get the major political parties to take notice of our transport needs.

WHEN: Wednesday 30 April at 7:30pm

Third Place Café, 286 Epping Rd, Wollert

(Delicious light refreshments and coffee/ tea will be served)

RSVP: Essential by Monday 28 April

or call Rhian Fisher on 9217 2175

We are starting by demanding an interchange connecting O'Herns Road to the Hume Freeway, in cooperation with the City of Whittlesea's Access Denied campaign. But we won't stop there!
