

5 December 2014

Dear resident/business owner

Road closure – Harvest Home Road

I am pleased to advise you that work has begun to upgrade the intersection of Harvest Home Road and Epping Road.

Places Victoria has worked with VicRoads and the City of Whittlesea to finalise details of the upgrade, which will include the installation of traffic lights at the intersection as well as signalised pedestrian crossings and new footpaths.

The upgrade will benefit the local community by cutting travel times and improving safety for motorists and pedestrians using the intersection.

The first stage of work will require the closure of Harvest Home Road on the western side of Epping Road. The road will be closed from Monday 8 December until March 2015.

We advise you to follow the detour along Greenfields Drive and Lyndarum Drive for access to Epping Road during this time (see map overleaf). Residents of Lyndarum Drive may notice increased traffic during the closure.

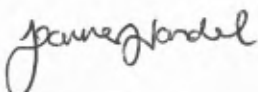

Traffic controllers will be onsite managing traffic flow along Epping Road. Please drive safely through the area.

Delays are expected so we encourage you to allow extra travel time and plan ahead.

The intersection upgrade is expected to be completed in mid 2015, with Universal Group carrying out the work on behalf of Places Victoria. Updates will be available online at www.places.vic.gov.au and www.myaaurora.com.au.

We apologise for any inconvenience and thank you for your patience while we deliver this important infrastructure. If you have any questions or would like further information please contact Cathy Nilbett at Places Victoria on 8317 3400.

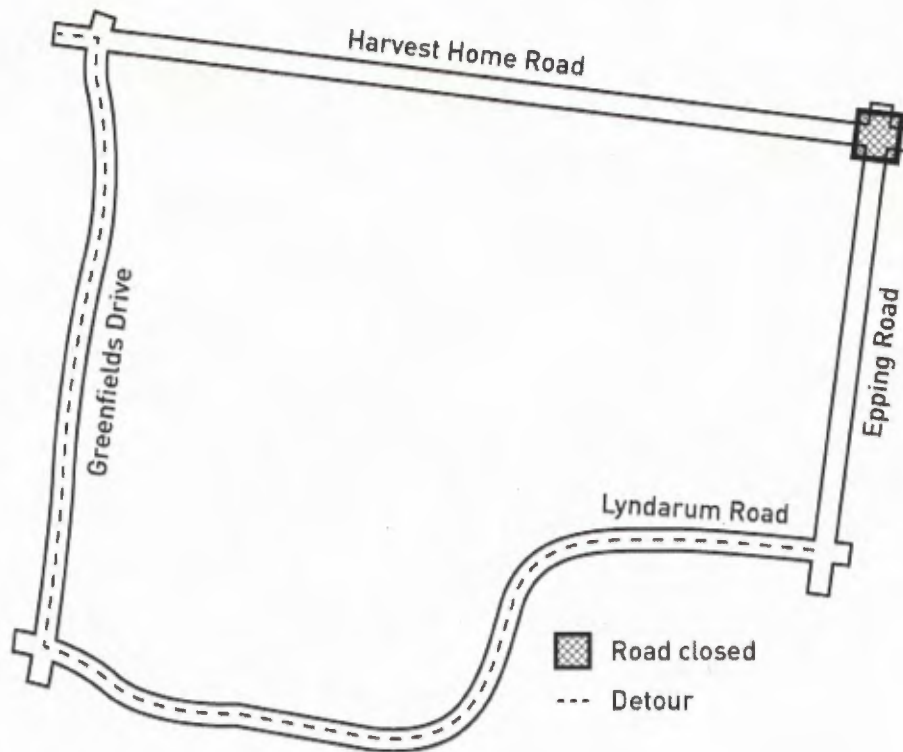

Yours sincerely

Joanne Wandel
