

## Celebrating the Spirit of Mary MacKillop

Although Mary lived and died more than a hundred years ago, she is still a key role model for contemporary educators.

Mary believed passionately that a good teacher could make a world of difference to a student's life, no matter how disadvantaged that life might be.

### **Enrolment at St Mary of the Cross MacKillop Catholic Parish School**

The first priority of the Catholic School is the provision of a Catholic education for Catholic children.

We see ourselves as an integral part of the Parish of St.Peter's Epping, and all our endeavours as stemming from, and contributing to, the life of the parish.

Enrolments are open to all baptised Catholic children of Parishioners living north of the O'Hearns Rd powerlines.

# Educational Brief

St Mary of the Cross MacKillop Catholic Parish Primary School is a place of optimism, excitement and challenge, where students, parents and staff see each day as a journey, full of purpose, where intellectual engagement and connectedness to the real world are priorities. Personalizing learning is vital to the success of each child's unique development and preparation for a rapidly changing society; confident, resilient and hopeful.

As a learning community this school thrives in a diverse and flexible environment where an inseparable relationship has been created between innovation, sustainable design and a deep knowledge of how children learn. The learning spaces are open, adaptable and aesthetic, embracing the importance of interaction, communication and collaboration; enabling the learning community to share and learn from each other. The provision of state of the art technology resources is integral to the school's belief of accessing both the local and global communities.

*School leaders will develop a wellbeing culture across the school, and will have a strong presence in the community and broader Parish. The vision of the school will be to reach out, providing structures, processes and procedures for creating links between student wellbeing and improved learning outcomes.*
